INFANTS & TODDLERS

Language development is fostered by reading stories, singing, and engaging in age-appropriate activities. Infants ages 6 weeks-12 months have unique needs that are met with our small child to teacher ratio in BACKYARD FUN. Teachers spend time rocking and cuddling our youngest students in a warm and safe environment. Young toddlers ages 13-24 months experience more structure with learning centers, circle time, music, and art in BUSYLAND. Older toddlers, ages 24-36 months, learn independence, social skills, self-regulation, letter recognition, math skills, science, and language development in CANDYLAND.

PRESCHOOL/PRE-K & KINDERGARTEN

The pre-school classes, ages 3-4 year olds, experience a learning adventure in EXPLORERS. The PA Early Learning Standards are incorporated in the curriculum using learning centers designed especially for students to explore. Weekly themes are used to introduce pre-reading, math, and science concepts as well as exploring feelings and learning to play with peers. Children in the Pre-K classes, ages 4-5 spend their days in a cheerful classroom called JUNGLE. We also run a state-funded Pre-K Counts program for families meeting financial eligibility requirements in FISHBOWL.

The PA Early Learning Standards are implemented using learning centers including: Art, Music, Reading, Math and Manipulatives, Blocks, Imaginary Play, Educational Table Games, and Sensory Exploration. As members of the Association of Christian Schools International, PCA also offers a private full day Kindergarten Class taught by a certified teacher. The school year corresponds with the Pennridge school district calendar.
